JUNE 2018

"Connecting Church and Home"

## PASTOR'S PERSPECTIVE

This weekend the newest installment of the Star Wars saga is coming to theaters. The movie brought to mind the YMBALI tee shirt from a number of years ago. In case you missed it, YMBALI is the acronym for "You Might Be A Lutheran If..." According to the YMBALI tee shirt the best clue that one actually might be a Lutheran is that "You are watching Star Wars and when you hear someone say, "The Force be with you," you reply, "And also with you!" The next best clue is that when you sing the hymn, "Stand Up, Stand Up for Jesus"; you secretly wish that you could sit down.

"May the Force be with you!" As Christians we have been given the gift of the Holy Spirit at our baptisms. That is the promise that Holy Spirit would work on and through us. The Holy Spirit is that which brings life to God's creation. The Holy Spirit drove out the fear of those first followers of Jesus when they burst out into the streets of Jerusalem on that first Pentecost Sunday. The Holy Spirit led the reformers, such as Martin Luther to risk their own lives to bring the Church back to its true faith. The Holy Spirit brings people to make incredible changes and do astonishing things even this day.

The Holy Spirit has been given to you in your baptism. Unfortunately too often we try to control the power of the Holy Spirit. We have this way of "putting God in a box". We let him out just a little bit at a time.

We need to remember that the power of God resides in us. God can do astonishing things in our lives and through our lives. Unleash that power, that incredible force in your lives! Let go and let God.

May the Force be with you!

Blessings,

*Pastor Dan*

## THURSDAY MORNING BIBLE STUDY

Join us each Thursday at 10AM as we begin our study on Galatians. You don't want to miss this opportunity to dive deeper into the word and enjoy a time of fellowship.

## FROM YOUR COUNCIL PRESIDENT

At the May Church Council meeting the primary new item of business was reviewing the budget that the finance committee had prepared for the coming year and approving it for recommendation to the congregation. With increased giving the last year, it was an easier task to come up with a balanced budget than it had been in previous years. I do want you to keep in mind though that we are still having to use money from our endowments to balance the budget and in particular we are using the money that would be used to pay an intern for other purposes. Since we cannot have an intern while we do not have a permanent pastor this is not an issue right now, but we need to increase our giving so that when we do have a permanent pastor in place for a year or two then we will again be able to resume our long history of having intern pastors.

At the May Congregational Meeting the budget was passed as proposed. A new three year class of four Church Council members was elected at the meeting and I would like to thank them for agreeing to serve our church. The new Council members are Deidra Monastra, Barb Palmer, Marilyn Perkowski, and John Stanko. Karl Kalk and Craig Maurer were elected to new terms on the Mission Endowment Committee. Brian and Kathy Corban were elected to be our 2019 representatives to the Synod Assembly. Finally, elected to be the nominating committee for 2019 are Christine Bates, Adam Johnson, Becky Moden, Sue Ambrosic, Jennifer Maurer and Amy White.

As my current term on Council (actually two back to back three year terms) comes to an end I would like to thank everyone for the privilege of serving on church council and to the council members who voted to allow me to be Council President each of those years. As I said at the Congregational meeting, I also would like to thank Doug White for so capably serving as Vice-President for the last six years, and for working as a team to take care of a lot of the things that needed to be done that I might have otherwise have had to handle myself.

The road for St. Paul's certainly has not been easy the last few years but it is rewarding to see that we have come through that tough period, with a number of issues and changes, successfully and are in a strong position to grow and do more ministry for more people in the future. Our greatest strength as a congregation has been the wealth of time and talents that has been shared by the members. If everyone will carry on the tradition of sharing the talents and gifts they have been given with their church our future will be filled with blessings.

*Greg Klein*

Church Council President

## FROM YOUR TREASURER: DANIEL FARRAR

Through April 30th our expenses are \$255,087 and our income is \$260,029 (income includes \$45,456 budgeted funds that have been withdrawn from our endowments) for a surplus of \$4942. April was plus \$4,612 and our final fifth Sunday Congregational Challenge of the fiscal year. Thanks to all for your faithful support.

**COMMUNITY MEAL & CLOSET**

Our monthly Community Meal and Community Closet was held on Friday, May 11. Ninety (90) people attended. Attendance for the past three months has been 92, 92, and 90. Needless to say, as we plan each month, we prepare to feed 100. This ensures that we have enough food, including seconds, for everyone. Anything left over is boxed up and made available to our shut-ins.

Our meal on this Friday consisted of creamed chicken over biscuits, buttered peas, apple sauce, choice of beverage, and a brownie or donut for dessert. We had three (3) children this month. All were given two (2) books and a Pez dispenser.

Many attendees visited the Community Closet both before and after they ate. With warmer weather upon us, summer clothes were very popular. The Community Closet remains an important part of this ministry. If you wish to volunteer or donate to either the Community Closet or the Community Meal, please contact either Lea Lang at 330-224-2263 or Jack Fortune at 330-874-3525 to review our needs and discuss how you can help.

St. Paul's Community Meal and Community Closet provide a free meal and clothing for all on the 2nd Friday of each month. Our next opening is Friday, June 8, from 4:30 to 6:00. Thank you for your prayers and continued support.

It is our hope that this thank you will help to communicate our very big thanks for your generosity. We aim to glorify Jesus in all we do!

Sincerely,  
*Thomas and Linda-Jo Perks*

**MAKE-A-WAY**

Dear Friends at St. Paul's Lutheran Church, On behalf of the Make-A-Way Center, I would like to thank you for your generous gift of \$100.00. Please know that your generosity will help Make-A-Way continue to make a difference in the lives of our members.

Your most generous gift to the Make-A-Way Center is an investment in the future of persons with disabilities. It is a promise that their future can be brighter, and that they may receive experiences that will enhance their lives and allow them to grow toward greater independence and happiness.

Sincerely,  
*Bryan E. Stuck*  
Director

Thank you to everyone who donated their time and cookies for “2 Men and a Bench”. We had a lovely reception after the concert and the selection of cookies was wonderful. ## ADULT BIBLE STUDY: WHAT QUESTIONS DO YOU HAVE?

During the summer months, time will be spent considering questions you might have about the Christian faith, the Bible, the Lutheran church, other religions, or living faithfully as Christians in the world. We’ll study Scripture and also examine what the “experts” can tell us, those who have spent much time addressing particular questions. Come with your questions and enjoy the conversation and fellowship. We meet each Sunday morning at approx. 10:30,

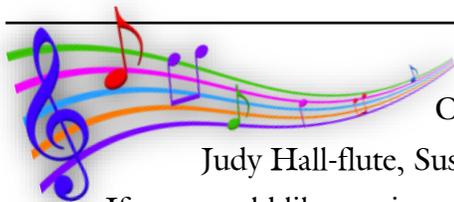

top floor Parish Hall. An elevator is available for easy access.

## CALL COMMITTEE UPDATE

The committee awaits additional pastoral candidate profiles for our consideration. Continue to pray for Pastor Karl Biermann, Assistant to the Bishop in our Synod, tasked with identifying those pastoral candidates who might be a good match for our congregation. We patiently wait upon the Lord and give thanks for the ministry of Pastor Dan to our congregation.
