It will cost approximately \$13,000 to fix the sidewalks. In order to get \$4,000 back from the City of Massillon we must turn in application now. Jim Johnson will fill out the paperwork. It will be on the May agenda for the Congregational Meeting. We can cancel the contract because the work won't start before it's been approved by the Congregation.

Dave Stoner made a motion to approve Jim Johnson to be our representative to sign the contract to fix the sidewalks. Carol Stoner seconded. Motion approved.

Push Pay app. It will be used for electronic giving, announcements, and calendars. The Pushpay App is normally \$250 per month. Adding the CCB for our church records would be \$324 per month. If we pay annually the amount would be \$3360 (\$280 per month) for both systems. The **one year offer** is 3 month free and \$200 per month for both the app and the church management system. This would cost \$1800 for 12 months. Averaging \$150 a month for the first 12 months. After 12 months our cost would be the \$280 a month with the annual payment plan. The **two year offer** is 9 months free and \$200 per month for both the app and the church management system. This would cost \$3000 for 24 months. Averaging \$125 a month for the first 24 months. In addition we would be paying at the lower rate an addition year saving an additional \$960. We also would not be paying the \$600 to Church 360 Members. After 24 months our cost would be \$280 per month with the annual payment plan.

Greg Klein made a motion to change to Push pay and Community builder from Members 360 and Vanco for a 2 year period. It will be \$200 a month beginning April first to take advantage of the discounts available. We will be keeping 360 Ledger as the accounting software. Patty Long seconded. Motion approved.

Motion to adjourn by Don Gray. Seconded by all. Meeting adjourned at 12:12 pm. Closed with the Lord's Prayer.

Minutes prepared by Tracie Schmolt, Secretary.
