Dear Friends in Christ,

James S. Hewett, former pastor of Saratoga (California) Presbyterian Church shares this story: In 1923 at the Edgewater Beach Hotel in Chicago, Illinois, eight of the most powerful money-magnates in the world gathered for a meeting. These eight, if they combined their resources and their assets, controlled more money than the U.S. Treasury.

In that group were such men as Charles Schwab. He was the president of a steel company. Richard Whitney was the president of the New York Stock Exchange, and Arthur Cutton was a wheat speculator. Albert Fall was a presidential cabinet member, personally a very wealthy man. Jesse Livermore was the greatest bear on Wall Street in his generation. Leon Fraser was the president of the International Bank of Settlements. Ivan Krueger headed the largest monopoly. Quite an impressive group of people!

Let's look at the same group later in life. Charles Schwab died penniless. Richard Whitney spent the rest of his life serving a sentence in Sing Sing Prison. Arthur Cutton, that great wheat speculator, became insolvent. Albert Fall was pardoned from a federal prison so he might die at home. Leon Fraser, Jesse Livermore, Ivan Krueger all committed suicide. Seven of those eight great big money magnates had lives that were disasters before they left planet Earth.

What mistake did they make? Thinking that what they had and what they controlled belonged to them.

That is the main point of every stewardship sermon I have ever given. What we have does not belong to us, it belongs to God. Maybe another way to look at is this: If everything belongs to God, and God is a giving God, and God gives everything to us. How much are we going to keep?

Our annual stewardship drive will be on November 13th. As we prepare for this important day in the life of our church let us reflect on this spiritual question, “What is God calling me to give as a percentage of my income?” That is a personal, spiritual question as I said in the sermon last week. In the month we have before Consecration Sunday I urge you to reflect and pray on your relationship with God and how you will answer God’s call to give.

Blessings,
Pastor Mark

Our Sympathies

Our sympathies are extended to the family and friends of Robert David Keefer who passed in September. Please keep Vera in your prayers.

Thank You for your prayers and support during this difficult time for our family. It is a blessing to be part of the St. Pauls’ family.

Yours in Christ,
Vera Keefer

Dear Church Family,

Our friends Bruce and Bernice’s daughter-in-law, Tiffany, has been diagnosed with a very aggressive brain cancer. She and her husband have two daughters, one is a senior and the other a freshman in high school.

The family is very positive and believe in the power of prayer. Tiffany’s doctors say it is so important to continue positive thoughts.

Jim and I would like to ask our church family to send Tiffany cards and let her know we are praying for her.

Thank you,
Jim and Becky Johnson

Community Meal and Community Closet

September 9, 2022

St. Paul's welcomed seventy-one (71) guests to our monthly Community Meal and Community Closet on Friday, September 9.

Our late summer meal consisted of fried chicken, steak fries, green beans, applesauce, dinner roll, beverage, and a choice from a wide array of desserts.

Among the attendees were 2 very lovely young girls. Each was given a small toy as a gift from the congregation.

Nearly all attendees visited both the Community Closet and our "special additional needs" tables either before or after the meal. As the cooler months are approaching, we are striving to have suitable warm clothing available. Please remember us and help us as best you can. It is clear that there is much need in our community. This is not East Cleveland or South Akron. This is Massillon, Ohio. Praise God that we are in a position to help so many that are in need.

St. Paul's Community Meal and Community Closet provide a free meal and clothing for all on the 2nd Friday of each month. Our next opening is Friday, October 14, from 4:30 to 6:00. Thank you for your prayers and continued support.

Dear St. Paul's friends,

Last year on our Amish Tour (Which was a great day!) Loren Veigel and I talked about planning another trip for this Fall that would include visiting wineries. Loren has planned a trip based on our conversation for our members and friends. You can learn more with the attached flyer. I look forward to joyfully welcoming back all regular singers and greeting new musicians to our ranks! The opportunity to make music in worship with this particularly amazing church family is truly incredible. I am always inspired by the reactions of new singers experiencing our wonderful music ministry for the first time. If you have ever thought about it, won't you join us this year? This supportive, fun and talented musical family is for all, no matter where you are on your musical journey. Come worship, learn, grow, and enjoy meaningful fellowship!

Cathedral Concerts in the Evening

Special thanks to all who made our partial 2022 season of *Cathedral Concerts in the Evening* a tremendous success! Our concert series brought extremely talented artists and performing groups to our beautiful space, uniting our congregation and greater Northeast Ohio community in worship, fellowship, and outreach.

I am grateful to all performers, attendees, volunteers (ushers, reception facilitation, sanctuary preparation, program creation), the Music and Worship Committee members, Pastor Mark Kreemer, and our incredibly generous sponsors (please see the back of any concert program) for making this possible.

We are currently planning an active and exciting 2022-2023 season. Have an idea for a concert? Want to sponsor the series or a specific concert in honor/memory of a loved one? Please don't hesitate to contact Chad. Our series is only possible with the support and generosity of our congregation and community!

Music of countless times and places: Classical, folk, hymn-based, Polish, dances, ballades, music by Wanda Sobieska...and a few fun surprises!

Chad Pittman is Director of Choirs at Northwest High School in Canal Fulton, Director of Choruses for the Canton Symphony Orchestra, and Director of Music and Organist for St. Paul's Evangelical Lutheran Church in Massillon. He is co-founder of *Two Men and a Bench*, a traveling organ duo, with duet partner Mark Thewes.

A Doctoral student in music at Kent State University, he also studies in the summer Choral Conducting program at Michigan State University. He holds the Master of Educational Administration from Cleveland State University and a Bachelor of Music Education and Organ from the Baldwin Wallace Conservatory of Music.

Born in Warsaw, Poland, violinist Wanda Sobieska belongs to the fifth generation of a family of musicians and musicologists. She has extensive performance experience as a solo, chamber, and orchestral musician in the United States, Poland, and Canada. She has performed with the Chagrin Valley Chamber Music Concert Series, Chagrin Studio Orchestra, Cleveland Opera, Tuscarawas Philharmonic, and Ashland Symphony.

She is also a gifted arranger, having completed a commission for the English Symphony Orchestra, and various concerts, productions, and religious events. Additionally, she is actively involved in her family's opera company, *The Cleveland Opera*, and runs www.freegigmusic.com, an online collection of her arrangements serving musicians from all over the world and garnering well over 1000 visitors a day.

Dear Family and Friends of St. Paul's Evangelical Lutheran Church,

I am excited to share that our church will offer another season of our concert series, ***Cathedral Concerts in the Evening***. Last season, we joyfully welcomed *Two Men and a Bench* (Chad Pittman and Mark Thewes, organists), the *Capital University Chapel Choir* (with Northwest High School and Massillon High School Advanced Choirs), The *University of Michigan Men's Glee Club* (with Northwest High School Men's Chorus), *A Chorus for a Cause*, and internationally acclaimed concert organist, *Hector Olivera*, to our beautiful sanctuary here in Massillon. We consider our opening season a TREMENDOUS success and can't wait to welcome you back for another year of inspiring and diverse music and worship.

Our mission for this series is to offer the greater Massillon/Canton community (and beyond) quality concerts free of charge, facilitate opportunities for meaningful fellowship and outreach, feature our beautiful space, and develop relationships with local and national arts organizations. The musical offerings will be varied and diverse, highlighting both professional and community concerts of all kinds.

This series is something very special, and I feel so honored to share beautiful music, worship and fellowship with YOU!

In an effort to ALWAYS keep concerts free to all, we take a freewill offering at each event and are **seeking special tax-deductible contributions/offerings from our church family in advance**. Contributions may be made in honor or memory of a loved one/friend. All donors' first and last names will be listed in each program, unless indicated otherwise. Donors may sponsor an entire concert, part of a concert fee, or give any smaller amount. Any full concert sponsorship will get a special FULL page in the program honoring the chosen individual(s) or organization(s) for whom the funds are given, if desired. Please know that any amount-large or small-will make an incredible impact on this ministry. We always schedule high-quality events and therefore depend on generous support outside the freewill offerings.

When preparing a concert, we plan for various costs: performer fees and logistics (travel, lodging etc.), high-quality and frequent advertising (newspapers, online, and others), program materials, and hospitality events such as post-concert receptions, and other meetings/meals. We absolutely depend on individual/family sponsorship.

To give to ***Cathedral Concerts in the Evening***, you may contribute in person or mail a donation to the mailing address listed above. Please make sure to CLEARLY write **CONCERT SERIES** on your check-to St. Paul's Lutheran Church-and envelope. If you would like to sponsor an entire concert, a large portion of a concert, volunteer in some capacity at any event or have any questions, please reach out to me on my cell at: 330-608-1655 or by email at chadpit@msn.com

I am honored to spend my days in ministry with this wonderful community, and can't wait to see you at a concert...or several this year.

The Book of Revelation

Because you have kept my word of patient endurance, I will keep you....(Rev.3:10a).

We began our study of this fascinating book of Scripture on September 11th with 30 people in attendance. That was an encouraging start and we're learning so much together! We continue to uncover the special message written to the seven churches in Asia Minor. In a number of ways, we're finding those churches were not so unlike our own in what God was calling them to in faithfulness and loving service. Please join us for this exciting study. The fellowship and learning we experience together are wonderful.

The class meets on the upper floor of Parish Hall at approximately 11:30am following the Sunday worship service. An elevator is available for easy access. All are welcome!

Words of Life

Jesus and the Promise of the Ten Commandments Today

By Adam Hamilton

Nearly everyone has heard of the Ten Commandments, the list of "thou-shalt-nots" found in the Bible. Jesus saw these commandments not as onerous burdens, but as guideposts to help us experience a good and beautiful life. These ten ancient "words" were given to us by a loving God who longed to set safe boundaries, create order out of chaos, help communities live peacefully, and protect us—often from ourselves.

In this book of Scripture and inspiration, bestselling author Adam Hamilton brings modern eyes to the most important set of ethics in history. He considers the commandments in their historical context, considering the meaning of each commandment in Hebrew, unpacking how Jesus reinterpreted them, and showing how every thou-shalt-not was intended to point to a life-giving "thou shalt." He also explores how the latest research in science and psychology illuminates these commandments, rightly understood, as a way of ordering one's life beautifully in the present day. In a culture marked by workaholism, materialism, and social media-driven envy, God has given us a time-tested path that leads to gratitude, confidence, and peace.

At our August meeting, the congregation was asked to vote upon a ballot issue asking what accessibility project we see as most viable for our future. Results, which were reported the following Sunday prior to worship, revealed 30% of the membership felt that a full implementation addressing access concerns and additional meeting/gathering space was desirable, with 40% indicating a willingness to support the access concerns solely. While neither of these outcomes is a clear mandate, it is evident that the congregation is interested in moving forward to create a more welcoming atmosphere for individuals of all abilities.

What also was evident in the results was the congregation's desire to maintain our present infrastructure. With greater than 50% of respondents expressing a need to repair or rebuild the Harvard Street steps, and a strong interest in additional restroom facilities, we have a place to begin.

Your church council, taking each of these points and those comments that were presented into consideration, will be continuing the conversation and bringing what we perceive as next steps to you, the congregation, in the near future. Your prayers for God's guidance as we enter into these discussions is most welcome and encouraged.

Your Council President,

Eric Myers
